It's only five!!!
Man Alive... It's five.

Coffee is great,
coffee is grand.
I can drink coffee with one hand.
With one hand I drink it,
with the other I play
in a one handed band.
I like to drink coffee
I like it a lot,
I can drink one cup,
I can drink a whole pot.
A pot ought to do it I thought...
mmmm ... that pot hit the spot.

BE.

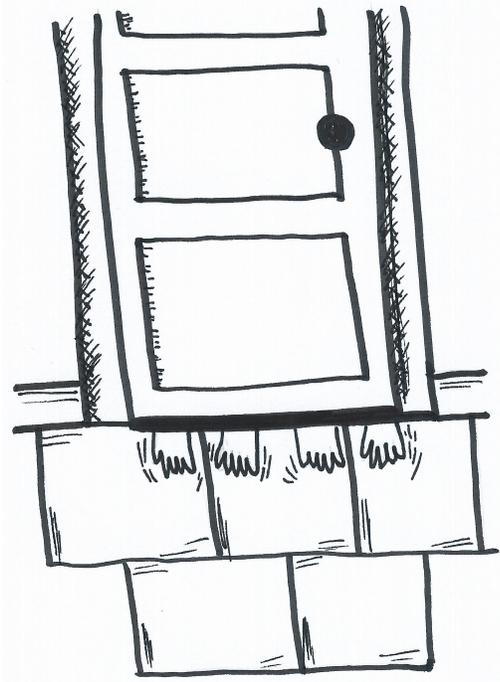

I just want to pee, you see.
I want to pee, with just me,
just me and my pee.
So LEAVE US BE!

Let me,

let me
BE.

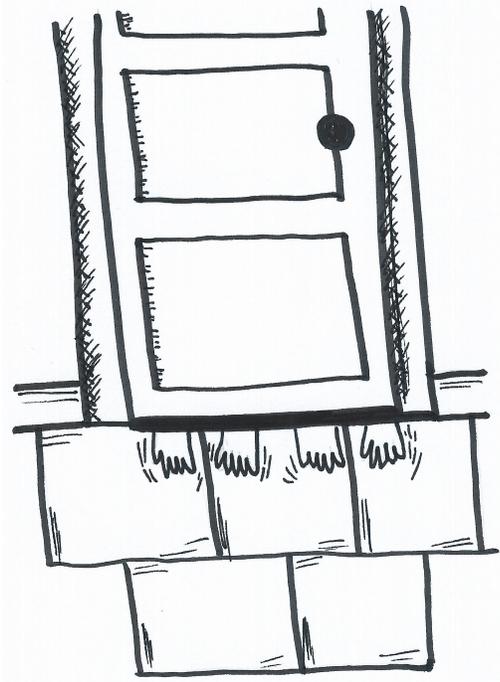

I just want to pee, you see.

I shut the door.
They hit the floor.
I see fingers, I count four.
Oh wait there's more!
There are more than four little fingers
reaching under the door.

"Let us in,
let us in," they say with a grin.
"We want to be in"
No no no no! I will not let you in.
I do not like this so,
please go, go, go,
GO!!!!

I do not want your help,
it will take too long.
Stop,
stop,
stop!
You're doing it wrong!!
Your help is not helpful.
Fine, I'll play along.
I'll play along as you do it all wrong.

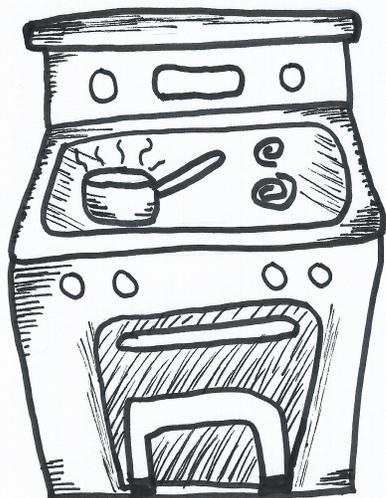

I do not want your help,
it will take too long.
Stop,

The stove is hot.
You are a tot.
I do not want a tot to get too hot.
A tot should not be too hot, you see.
Get down,
get down
do not touch that pot,
it's hot!

Eat,
eat,
eat.

Sit in your seat.

Look your food is a train!

Isn't it neat?

Now it's a plane!

Isn't it neat to eat food from a train and a plane?

Open up,
open up!

You're being a pain.

Eat,
Eat,
eat.

Sit in your seat.

Look your food is a train!

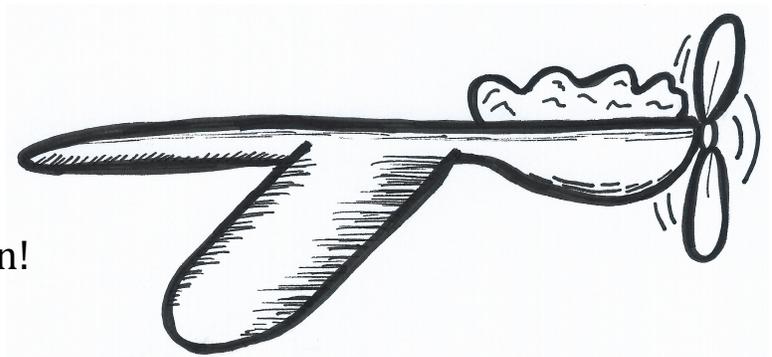

Isn't it neat?

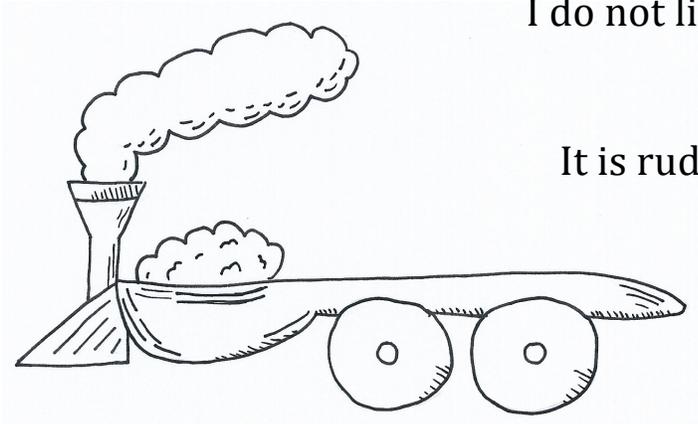

Now it's a plane!

Isn't it neat to eat food from a train and a plane?

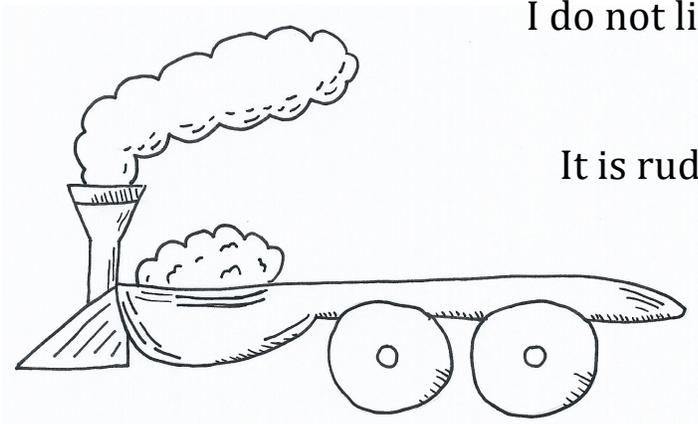

Open up,
open up!

You're being a pain.

I do not want your food.
Your food has been chewed.
I do not like to eat food that is chewed.
I don't care if it's a train,
I don't care if it's a plane.
It is rude to give food that is chewed.

You need to eat
and I'll tell you why,
you need to eat
or you will die.
Please,
please,
please,
give it a try.

Some battles you win,
some battles you lose,
so be very choosey,
with the battles you choose.

Comb your hair or people will stare.
They will stare at you hair everywhere.
Fine!
I don't care.
I don't care if they stare at your hair.

But please,
put on some pants.

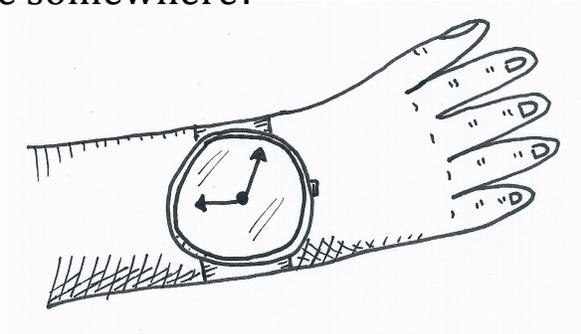

Yes,
I see you can dance without any pants.
I see you dancing a no pants dance.
You have one more chance
to put on some pants.

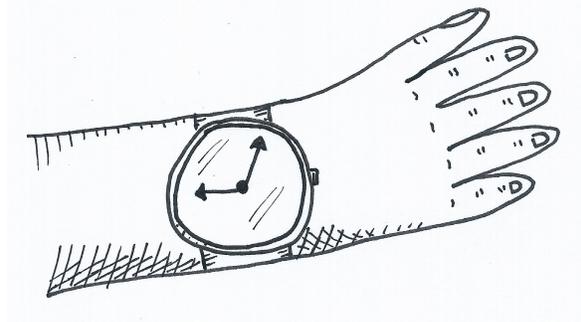

But please,
put on some pants.

Yes,
I see you can dance without any pants.
I see you dancing a no pants dance.

We are late,
late,
late
and you don't care.
Wouldn't it be great to not be late somewhere?
We have a date
and we are late.
Late to our date,
no time to spare.

Where is your shoe?
What did you do with your blue shoe?
Just one shoe will not do,
there's supposed to be two.
Where is that shoe,
that blue shoe that you threw?

Just one shoe will not do,
there's supposed to be two.

Come here,
there's a car!
Stay near,
don't go far.
Can't you see
there's a car where you are?
Cars are big and they're fast,
So listen when asked,
I want you safely beside me
not far by that car.

We are together,
my friends and I,
Your friends and you,
go and do what little kids do.
Don't be shy,
just say hi!
Climb on through,
I'll say good bye,
While I drink my coffee,
my friends and I.

It's time to go,
I know you're sad.
Look at what a good time you've had.
No, no, no let's go, let's go!
I know, I know. Oh, how I know.
Fine! One more slide, just go.

Why did you stick your head in there?
Your head can go almost anywhere.
Don't put it back there!
Don't you dare!
I will not care
next time your head is there.

Your head can go almost anywhere.
Don't put it back there!
Don't you dare!
I will not care
next time your head is there.

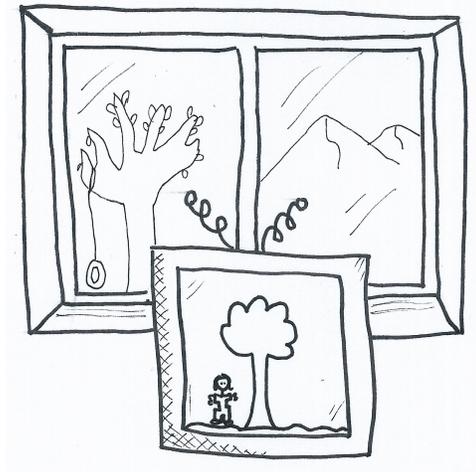

You've done it again!
You're stuck once more.
It's sore you say?
I warned you before!
Do not put your head there anymore!
Do not shout!!
Do not pout.
I will help you get it out.
Oh my, oh my,
it's stuck again.
Please, please, please use your brain.
Your head is stuck,
you're in pain.
Do not, do not do that again.

Have a bath,
have a bath,
you are covered in dirt.
See a bath is fun,
it is fun in a yurt.
That's right!
I figured a yurt could not hurt
to help with the dirt!
And look here is a Zurt!!
A Zurt likes dirt,
it likes it a lot.
A Zurt likes a yurt dirt dessert.

Brush your teeth or they will rot.
You do not want your teeth to rot.
If they rot they will hurt
...a lot.
I did not make that up,
I did not!
I like your smile,
I like your face,
brushing your teeth is not a race.
Ok! Ok!
I'll get off your case.

Get back in bed I said.
You have gone pee,
you have been fed.
You have a cup beside your bed,
a cup that is red
beside the bed,
that you have fled.

Grumpy kids are no fun,
so stay in bed until the sun.

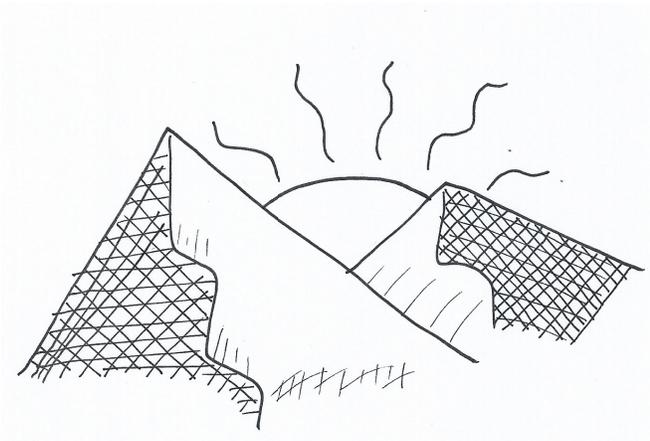

Because I am done.

I am done,
done,
done,

done until the sun.

I am not fun when I am done.

So run to bed
run, Hun, run.

The TV is on,
I've got my snacks,
I look at the dishes,
there's stacks and stacks.
I summon my Yax.
My Yax likes to wash dishes,
while I eat snacks and relax.
If you like to relax
I highly recommend
getting a Yax.

The Yax is done
and so am I,
The moon is high
in the sky.
I'm going to bed.

Good night.
Good bye.
